The Giving Circle

Casa Myrna established The Giving Circle to recognize individuals who participate at the highest levels.

Recognition Levels:

\$50,000+ Vazquez Visionaries

\$25,000-\$49,999

\$10,000-\$24,999

\$5,000-\$9,999

\$3,000-\$4,999

Through this prominent Giving Circle, the board of directors acknowledges the generous total annual giving by our top individual donors to Casa Myrna's operations. Giving Circle members contribute \$3,000 and upwards annually to the annual fund, fundraising events, as well as for education, advocacy, programs, and other special initiatives.

Donors enjoy: "preferred access" to Casa Myrna's expert staff and board; invitations to exclusive receptions and programs; a commemorative gift; and recognition on a donor plaque and the annual report.

Amigos En Acción

Members of \$2,500 + The Amigos en Acción are supporters of, ambassadors for, and advisors to Casa Myrna.

We believe the power of community is our greatest asset, and our goal is to foster constituents into a connected community – A community fueled by participation and hope to make every relationship safe and healthy. Together we can bring domestic violence out of the shadows through community engagement and collective action.

Casa Myrna provides members with access to our Amigos en Acción community network, specialized communications, and invitations to exclusive social and educational events. Amigos en Acción have access to Casa Myrna Leadership and have the opportunity to sit on various board or ad hoc committees.
